

Universal Arm Sling

Warnings and Instructions: Review carefully, proper application is required

⚠ Warning: This device will not prevent or eliminate risk of injury. Do Not Overtighten. If swelling, pain, skin irritation, or an unusual reaction occurs, discontinue use immediately and consult your medical professional.

Care: Hand wash using mild soap. Rinse thoroughly. Air dry only. Do not tumble dry.

1. Separate the sizing strap from the sling.

2. Open the sling so that the sizes are showing and lay the sizing strap across the sling at the preferred size marking.

3. Fold the edge of the sling pocket over the sizing strap and secure.

4. Place arm in the sling pouch. The middle of the hand should rest over the sizing strap for proper support.

5. Wrap the thumb loop around the thumb and secure. The thumb should rest comfortably.

6. Pull the shoulder strap through the double ring and secure.

7. Adjust the shoulder strap as necessary to ensure a comfortable, functional fit.

8. The hand should rest inside the pocket. The thumb should rest within the thumb loop, with no uplift.

9. Finished application.
